

LOCATION, LOCATION, LOCATION – UPDATE

Coming soon... NEW BRANCH IN ILKESTON

We are pleased to report that we have agreed terms for a new Willbond Plumbing Centre branch on Nottingham Road, Ilkeston.

We hope to be open in October 2006 when our customers based there will have the convenience of a very accessible high profile location with excellent off-street parking. We are currently looking for additional staff for the branch and we shall be pleased to hear from suitably qualified applicants who can deliver the high levels of customer service that Willbond customers expect.

Ray Wheatley, Branch Director, commented:

'The success story of our Derby branch (opened in October 2004) has proved that the Willbond brand travels well and this has encouraged us to further expand our presence in Derbyshire. Ilkeston is ideally placed between our Nottingham and Derby branches and we are really looking forward to increasing our business in the locality.'

Deakins Place Head Office goes from strength to strength

We have now completed the purchase of the land and buildings, which comprised the Interlink Depot at the head of Deakins Place adjacent our Head Office. The total land area is 1 acre and the building has an internal area of 11,000 square feet.

Commented Simon Chambers, Logistics Director:

'The ongoing development of our branch network has inevitably created space pressures at our Head Office site. We are therefore delighted with the purchase of this additional land and property which will alleviate those pressures, afford us further operational efficiencies and secure our future in our trading heartland.'
